WALK-IN & EMERGENCY SERVICES

The resources on this page and the next are for walk-in, crisis, and emergency services, and are available to whether you have health insurance or not. It's important to understand that a crisis is defined by the person going through it, and you won't be turned away, no matter your situation. These services do not represent all services in Milwaukee County and other options may be available through schools, Employee Assistance Programs, and medical providers.

Before visiting, we strongly recommend calling to confirm the operating hours.

EMERGENCY SERVICES FOR ADULTS, ADOLESCENTS & CHILDREN

Mental Health Emergency Center

If you, a family member, or a friend is experiencing a mental health emergency, go to the Mental Health Emergency Center (MHEC). A mental health emergency refers to a situation in which you or your friend/family member poses an immediate risk to themselves or others. Examples of mental health emergencies may include:

- Thoughts of suicide, self-harm or harming others
- Violent, erratic or aggressive behavior
- Significant worsening of mental health symptoms
